428 AD: An Ordinary Year at the End of the Roman Empire

...

Giusto Traina's 428 AD An Ordinary Year at the End of the Roman Empire is a really compelling book and a much easier read than St. Augustine's Confessions, in my opinion. For instance, Traina only uses this one time period to show a sort of change over time and the smaller intricacies that many people, including myself who love history miss in ...

His idea is attractively simple: to offer a panoramic view of the Mediterranean world from Iran to Britain in one ordinary year, AD 428. The subtle tracing of a delicate and complex web of social, religious and political interconnections across the whole Mediterranean world offers an unparalleled opportunity to rethink the dynamics of the Roman empire in the fifth century.
