Originating way back in 1904, Chilton was the undeniable king of repair manuals for generations of mechanics. It has perhaps the most extensive library of any automotive repair manual publication. On top of this, the books get into high detail for every repair needed on a model-specific level, making them extremely useful for pros and amateurs ...

1 review for RepairSurge Online Auto Repair Manuals. 2.0 stars: 'I gave them two stars only because their pricing is inexpensive and I received a refund after my second email to them. They will give one year of access to their website to download repair instruction - all for only \$20.00. I needed to replace my radiator but it was not list in the cooling section. I had to do addition searches ...

I've used them over the years both alone and along with a OEM manual. I can only specifically recall my most recent use, with a first generation KLR 650. This was my second KLR and I recalled from my first in the early '90's that the factory manual was 2 parts, the first was a KLR 600 manual and the second was all the changes for the 650.
